Re: Pre K and Kindergarten Class Count for the Fall of 2021

We are trying to get an early count of pre-kindergartners and kindergarteners for the next school year so that we may budget appropriately.

We would appreciate it very much if you would let us know if either you or a friend has a child who will be attending our pre-kindergarten or kindergarten session this coming fall.

In order to be eligible for pre-kindergarten, the child has to be four years old on or before October 15, 2021. For our kindergarten class, the child has to be five years old on or before October 15, 2021. Please fill out the slip below and send it back to us as soon as possible.

We appreciate your help in this search.
